STOP THE EXPLOITATION OF SEPTEMBER 11th to JUSTIFY WAR, PROFIT AND DOMESTIC REPRESSION

A survey last year by Zogby found that 49% of NYC residents believe US officials knew about the 9/11 attacks in advance and "consciously failed" to act (NY State: 41%). But US corporate media and official investigations have never acknowledged the evidence that leads millions around the world to think 9/11 was an "inside job."

We the People of New York and the World DEMAND:

THAT THE CORPORATE MEDIA fulfill their obligation to the public and uphold transparency in our Democracy by conveying truth, and not simply the "news that fits," thereby enabling THE PEOPLE to bring to justice those responsible for the crimes of Sept. 11th, 2001;

AND WE PETITION the International Criminal Court to investigate the crimes of Sept. 11, 2001, the murder of thousands of innocent civilians, and the physical destruction of the WTC complex.

CONFIRMED SPEAKERS:

Dr. Robert Bowman (Ret. Lt. Col. USAF)

Donna Marsh O'Connor (Mother of Vanessa Lang Langer, WTC Tower II)

Premilla Dexit (Womens International League for Peace and Freedom)

Mark Crispin Miller (Author NYU Professor) **Fr Frank Morales** (St Mark's Church)

Mimi Kennedy (WBAI "Building Bridges") **Craig Hill** (VT Green Senate candidate)

No more corporate media LIES!

LIES ABOUT 9/11. No official was held accountable for massive failure of air-defense procedures. The 9/11 Commission ignored the families' questions and did not investigate who financed (and who profited from) the attacks. What happened to Building 7? Evidence 9/11 was an inside job to justify foreign wars and domestic repression has been almost completely ignored in corporate media. See 911Truth.org - wtc7.net "Complete 9/11 Timeline" at cooperativeresearch.org

POISONING THE PEOPLE. New Yorkers misled by false assurances about Ground Zero air, after White House forced EPA to say it was safe. How many lives were shortened as a result? See wtceo.org

LIES TO INVADE IRAQ. There was no Iraqi connection to 9/11, no matter how many times the Bush administration says so. Downing Street minutes reveal White House and Pentagon lied about WMD and terror connections to justify Iraq invasion. See afterdowningstreet.org

ELECTION THEFT 2000 & 2004. Bush kept power thanks to fakery by Ohio State Secretary and Bush campaign head Blackwell and black-box voting machines from Diebold, Sequoia and ES&S. See nov2truth.org
